

JUAN DAVID CUERO GAMBOA

Bilingual Full-Stack Developer & Software Engineer

Tuluá, Valle del Cauca, Colombia | +57 3127343077 | juancuero248@gmail.com
GitHub: github.com/jcuero24 | Languages: Spanish (Native), English (B2 - APTIS Certified)

PROFESSIONAL SUMMARY

Results-driven **Bilingual Software Engineer** (4th semester) and Full-Stack Developer specializing in building scalable web applications and optimizing cloud environments. Proven track record in leveraging frameworks like **Angular and React** alongside robust backends like **NestJS and Node.js** to deliver high-performance user interfaces and automated business solutions. Experienced in implementing cloud infrastructures, managing relational/non-relational databases, and streamlining **CI/CD pipelines**. Adept at managing client-facing and bilingual workflows with strong problem-solving and cross-functional team collaboration skills.

TECHNICAL SKILLS

- **Programming Languages:** JavaScript, TypeScript, Python, Java, C# (.NET)
- **Frontend Development:** HTML5, CSS3, React, Angular, Bootstrap
- **Backend & APIs:** Node.js (v24), NestJS, Express, RESTful APIs
- **Cloud & DevOps:** Firebase (Auth, Firestore, Hosting), Vercel, CI/CD automated workflows
- **Databases:** MySQL, PostgreSQL, MongoDB
- **Developer Tools:** Git, GitHub, Postman, Chrome DevTools

PROFESSIONAL EXPERIENCE

CROSS WAY CENTER ENGLISH ACADEMY | Tuluá, Colombia

Full-Stack Web Developer | 2024 – Present

- Engineered and deployed an enterprise-level cloud-hosted web platform utilizing **Angular and Firebase**, drastically reducing operational friction.
- Designed and maintained robust data integration services, optimizing backend performance and connecting scalable dynamic forms.
- Orchestrated **automated CI/CD pipelines** on **Firebase Hosting** to support secure, real-time site provisioning and updates.
- Upgraded legacy architecture to modern **Node.js (v24)** environments across project modules, ensuring long-term code compliance and speed optimization.
- Mitigated manual administrative burdens by implementing asynchronous communications and **EmailJS** service hooks for automated lead capture.
- Enhanced global accessibility metrics by developing custom translation modules and dynamic responsive layouts for multi-device cross-platform deployment.

Bilingual Educator & Media Strategist | 2023 – Present

- Facilitated immersive English curriculum paths for corporate and adult learners, leveraging deep understanding of communicative grammar.
- Maintained full digital brand presence across marketing lines, aligning web solutions with digital customer support structures.

PROJECTS

Institutional E-Learning & Operations Engine

Stack: Angular, NestJS, Firebase Firestore, Bootstrap

- Conceived, designed, and deployed a production-grade web application focused on connecting active students, leads, and administrative back-offices.

- **Impact:** Awarded the highest academic distinction (Grade 5.0 / A) due to implementation of clean architecture patterns, decoupled components, and optimal database models.

EDUCATION & CERTIFICATIONS

- **B.S. in Software Engineering** (5th Semester) | *Institución Universitaria Politécnico Grancolombiano*
- **Technical Degree in Software Development** | *ParqueSoft.TI*
- **Technical Certificate in IT Service Management** | *Pointec*
- **APTIS English Certification (B2 Level)** | *British Council*
- **Industrial Electronics Technician** | *Institución Educativa Técnico Industrial CSL*
